

JILL ELLYN SENNER, PhD, CCC-SLP

641 N Humphrey Ave.

Oak Park, IL 60302

847.682.1596

jill.senner@gmail.com

EDUCATION

NORTHWESTERN UNIVERSITY, EVANSTON, ILLINOIS.

Doctor of Philosophy in Speech and Language Science, June 2002.

PURDUE UNIVERSITY, WEST LAFAYETTE, INDIANA.

Master of Science in Audiology and Speech Science, December 1996.

Participated in the Augmentative and Alternative Communication Personnel Preparation Program.

NORTHWESTERN UNIVERSITY, EVANSTON, ILLINOIS.

Bachelor of Science, Communication Sciences and Disorders, December 1991. Dean's List.

UNIVERSITY OF WISCONSIN, MADISON, WISCONSIN.

September 1987 through May 1989. Admitted to the Letters and Science Honors Program, Fall 1988. Dean's List.

TEACHING EXPERIENCE

NORTHWESTERN UNIVERSITY, EVANSTON, ILLINOIS.

VISITING LECTURER

2005 - 2008, 2011, 2014

Responsible for teaching graduate Alternative and Augmentative Communication course (2005, 2006, 2007, 2008) as well as Vocal Physiology and Pathology (2011). Co-taught Management of Infant and Pediatric Feeding (2014).

SAINT XAVIER UNIVERSITY, CHICAGO, ILLINOIS.

VISITING LECTURER

SPRING/SUMMER 2012-2014

Responsible for teaching graduate Seminar in Dysphagia I, an overview of swallowing disorders, evaluation and treatment, as well as the Seminar in Dysphagia II course, an advanced course dealing with etiology, assessment, and treatment for individuals with swallowing disorders with primary emphasis on interpretation of videofluoroscopic swallow studies.

ASSISTANT PROFESSOR

FALL 1997 - WINTER 2004

Responsible for teaching graduate courses in speech-language pathology, supervising master's thesis research, and supervising graduate clinicians during hospital placements. Courses taught include Dysphagia: Assessment and Management, Augmentative and Alternative Communication, Neurogenic Disorders of Speech and Language, and Seminar in Voice Disorders.

UNIVERSITY OF WYOMING, LARAMIE, WYOMING.

ASSISTANT PROFESSOR

FALL 2008 – SUMMER 2010

Responsible for research, teaching and service in the Division of Communication Disorders. Courses taught include Augmentative and Alternative Communication, Dysphagia, and Speech Disorders Across the Lifespan. Supervised EPSCoR student research on siblings of children with disabilities. Started the Augmentative and Alternative Communication (AAC) Clinic in the University of Wyoming Speech, Language and Hearing Clinic. Responsible for supervision of graduate clinicians in the AAC Clinic.

OHIO STATE UNIVERSITY, COLUMBUS, OHIO.

VISITING LECTURER

FALL 2008

Responsible for teaching ASC 800: Graduate Workshop in Disability Studies. Topic: Siblings and Disability.

ANNE M. BLITSTEIN TEACHERS INSTITUTE, CHICAGO, ILLINOIS.

ADJUNCT PROFESSOR

FALL 2005

Responsible for teaching undergraduate Normal Language Development course.

CLINICAL EXPERIENCE

TECHNOLOGY AND LANGUAGE CENTER, OAK PARK, ILLINOIS.

OWNER/DIRECTOR

JANUARY 2001 – PRESENT

Responsible for evaluating and treating speech and language disorders in children with severe speech and/or physical disabilities. Provide augmentative communication and assistive technology consultation and training to families as well as schools. Supervised staff: speech language pathologists and occupational therapist.

LUTHERAN GENERAL CHILDREN'S HOSPITAL, PARK RIDGE, ILLINOIS.

ON-CALL SPEECH-LANGUAGE PATHOLOGIST

AUGUST 2010–AUGUST 2011

Worked in the outpatient Pediatric Therapy Center. Responsible for clinical swallowing evaluations, dysphagia therapy and educating/counseling families. Worked with children with varied diagnoses including Batten Disease, Di George Syndrome, Down Syndrome, Cerebral Palsy and sensory integration dysfunction. Patients demonstrated oral motor, sensory, and/or behaviorally-based difficulties as well as pharyngeal disorders. A variety of compensatory and therapeutic strategies including dietary modifications, adapted utensils, postures, the SOS (Sequential-Oral-Sensory) Approach, and oral exercises were utilized.

PRIVATE PRACTICE IN SPEECH LANGUAGE PATHOLOGY

SPEECH-LANGUAGE PATHOLOGIST

1997 – 2000

Responsible for evaluating and treating speech and language disorders in children with severe speech and/or swallowing difficulties. Provided augmentative communication and assistive technology consultation and training.

UNIVERSITY OF ILLINOIS, CHICAGO, IDHD, ASSISTIVE TECHNOLOGY UNIT,
CHICAGO, ILLINOIS.

ASSISTIVE TECHNOLOGY SPECIALIST
IN AUGMENTATIVE COMMUNICATION

OCTOBER 1996 - DECEMBER 1997

Evaluated clients for appropriate augmentative and alternative communication systems. Clients included adults and children with a variety of diagnoses and communicative needs. Trained family, school personnel, residential staff, and vocational staff in vocabulary selection, device programming and use, and strategies to facilitate augmentative communication. Worked with many augmentative communication systems including dedicated devices, computer-based systems, low technology communication books and boards, and Picture Exchange.

NORTHERN SUBURBAN SPECIAL EDUCATION DISTRICT, HIGHLAND PARK, ILLINOIS.

SPEECH AND LANGUAGE THERAPIST

OCTOBER 1996 - JULY 1997

Responsible for evaluating and treating elementary school students in the Education and Life Skills and Physical and Health Impaired programs. Conducted pull-out individual sessions as well as in-class group activities with children exhibiting a variety of speech and language disorders.

REHABILITATION INSTITUTE OF CHICAGO, ALAN J. BROWN CENTER, CHICAGO,
ILLINOIS.

INTERN

MAY - AUGUST 1996

Evaluated and treated clients in the Alan J. Brown Center for Augmentative Communication & Environmental Control. Worked with adults and children with a variety of disabilities. Worked with many augmentative communication systems.

RESEARCH EXPERIENCE

NORTHWESTERN UNIVERSITY, EVANSTON, ILLINOIS.

VISITING SCHOLAR

MAY 2003 - AUGUST 2008

Responsible for conducting research in drooling and swallowing in children.

RESEARCH ASSISTANT, DYSPHAGIA LABORATORY

JANUARY 1994 - JUNE 2002

Responsible for temporal analysis of videofluorographic swallow studies.

RESEARCH ASSISTANT, SPEECH PHYSIOLOGY LABORATORY

SEPTEMBER 1992 - JANUARY 1994

Responsible for recruiting subjects, organizing experiments, running experiments, and analyzing data.

UNIVERSITY OF WYOMING, LARAMIE, WYOMING.

ASSISTANT PROFESSOR

FALL 2008 - SUMMER 2010

2009-2010 Senner, J. E. Effects of Neuromuscular Electrical Stimulation on Drooling in Children with Cerebral Palsy. College of Health Sciences, \$7,500 research grant. Additional projects related to children using AAC.

RELATED PROFESSIONAL EXPERIENCE

AUGMENTATIVE COMMUNICATION TECHNOLOGY SUPPORTS, SKOKIE, ILLINOIS.

PRESIDENT

2002 - 2011

Responsible for chairing Board of Directors of a 501(c)3 nonprofit organization dedicated to supporting AAC users and families. ACTS generated interest and support through increasing public awareness, providing free and low-cost family information lectures, running an overnight camp for children who use AAC and their families, as well as coordinating community-based programs all of which served the sole purpose of supporting AAC users. In addition, organized fundraisers, directed Activities and Camp for Families, and organized numerous Family Information Lectures.

NATIONAL LEKOTEK CENTER, EVANSTON, ILLINOIS.

TRAINING/CONSULTATION SPECIALIST

OCTOBER 1994 - AUGUST 1995

Designed and developed training curriculum to allow inclusive recreation programming for individuals with disabilities. Developed and conducted training sessions pertaining to disability awareness, adapted recreation and behavior management. In addition, provided consultations and demonstrated applications of assistive technology to park district staff.
